Private Engineering Colleges
Adityanath Shri Yogi

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it has come to the notice of the Government that some of the private engineering colleges in the country are operating by showing fictitious appointment of teachers;
(b) if so, the details thereof; and
(c) the action taken/being taken by the Government against the private engineering colleges showing fictitious appointment?

Answer

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(DR. MAHENDRA NATH PANDEY)

(a) & (b): Yes, Madam. In some cases, fictitious appointment and duplication of names of faculty in the database of some of the technical institutions have been found. The details thereof are at Annexure.
(c): All India Council for Technical Education (AICTE) initiated action for updating the faculty details of all the technical institutions alongwith their PAN and AADHAR Card on its web portal to avoid duplication of faculty. About 33.85% of the faculty have submitted their AADHAR Card details. The percentage of faculty with PAN Card details uploaded on AICTE website is 73.91%. Efforts are being made to obtain data of every faculty. In case, an institute fails to adhere to norms laid down for "Faculty Requirements and Cadre Ratio", an appropriate action is initiated as prescribed in the Approval Process Handbook, which could include withdrawal of approval.
